HOMES

Perfectly positioned

Our exclusive Christy Brow development is perfectly placed for modern living. This Arts and Crafts-inspired development is situated on the site of Carrfield Mill, former home of Christy Towels, world-renowned manufacturers of the first industrially-produced looped cotton towel.

With its rich industrial heritage and close proximity to excellent transport links, it offers families and professionals a luxurious lifestyle in an ideal location.

So much on your doorstep

Nestling on the edge of the Pennines, just a few miles from the Peak District, Hyde is a bustling town in Tameside, Greater Manchester.

With a popular market adjacent to Clarendon Square Shopping Centre, browse all kinds of food, fashion, craft and collectable stalls. Plus you'll also see regular events with walkabout characters, jazz and samba bands.

For cyclists, ramblers and lovers of sunny weekend walks, Etherow Country Park is nearby, along with Werneth Low, offering panoramic views of the Cheshire plain and the Welsh Mountains in clear weather. While the wild flower meadows, picturesque woodlands and herb gardens of Lymefield make this an ideal place for the whole family to enjoy the great outdoors.

Elsewhere, foodies are catered for, with an eclectic collection of independent eateries serving cuisines from around the world. Whether it's an intimate meal for two or a hearty family meal in a restaurant or cosy pub setting, it's all here, from bistro to bar and beyond.

Theatres, galleries, cinemas and museums of Greater Manchester are all easily accessible. Plus with two train stations, the bright lights and iconic shopping and leisure attractions of the UK's third largest city are less than a 20 minute ride away.

Christy Brow occupies an enviable position, close to idyllic countryside yet only 7 miles east of Manchester. Besides the regular train and bus services, commuters enjoy excellent motorway links to the North West via the M67 and the M60. And with an excellent choice of schools for children of all ages, your beautiful Ecclestone home will have everything you need, right on your perfectly located doorstep.

Reservation Process

Reserving your new Eccleston home

You've found your dream Eccleston home! So what happens next?

We sell our new homes in order of the route that we build them and plots are released for sale at various times to follow this route and ahead of them being built.

They are sold on a first come, first served basis and purchasers are required to exchange contracts within 6 weeks (42 days) with the appropriate 5% or 10% deposit. This usually means that you will need to be either a first time buyer, have your current property sold subject to contract, be a none dependant purchaser, or a cash purchaser. If you have a property to sell, you could consider using one of our home sale assistance schemes, EasyMove or Part Exchange*.

1. Mortgage in Principle

In order to reserve your new home, you'll need a Mortgage in Principle, or Decision in Principle (DIP) from your mortgage provider. Based on basic info such as your income and outgoings, your lender will provide you with a certificate or statement that confirms 'in principle' the amount of money they will lend you.

If you need help sorting a Mortgage in Principle we have access to independent new homes mortgage specialists who are able to provide you with free advice on the range of new homes mortgages available. Please ask your Sales Consultant for further details.

2. Proof of identity

As you're undertaking a financial transaction with us, we'll need to see a copy of your passport (for non-UK citizens also a copy of a valid visa) plus proof of your address – this could be from a recent utility bill or driving license. Your Sales Consultant can provide you with a list of all acceptable forms of proof of address.

3. Reservation fee

We ask for £1000 reservation fee to secure your new home. If you're purchasing using the Help to Buy scheme, it's just £500. The reservation fee forms part of the overall price of the property and is credited upon Legal Completion.

4. Reservation meeting

To secure your new Eccleston home, we will set up a reservation meeting. It gives us the opportunity to take you through your reservation paperwork, share the technical drawings and run through the finer details about your new home and the buying process. And of course, the most exciting bit, you can sign your formal reservation confirmation documents meaning your dream Eccleston home is off the market! Please allow at least an hour for this meeting, this gives you time to ask any questions you may have too.

Customer Care

Customer Care Commitment

When you buy your Eccleston home you can be confident that your new home has benefited from a wealth of building knowledge and experience. And, as members of the National House Building Council (NHBC), the UK's leading home warranty and insurance provide, you'll benefit from their expertise too.

Consumer Code

The Consumer Code for Home Builders is an industry led scheme which gives protection and rights to purchasers of new homes. As members you can be assured that you're going to be treated fairly and be fully informed about your purchase at every stage of the home-buying process – whether it's pre-contract, at exchange of contract or during occupation.

Buildmark

When you purchase an Eccleston home you are covered by our two-year warranty, so should you find that your house has any defects that aren't due to general wear and tear or maintenance issues in this time, we promise to get it sorted for you.

After the first two years you're covered by Buildmark, the NHBC's insurance scheme, for a maximum of 10 years after you move into your new home.
